

The American Flag

Read the bar graph that represents the evolution of the American flag and answer the questions.

2) How many stars were on the American flag in 1777?

3) The American flag had 25 stars in 1820. Is this statement true or false?

4) How many stars did the flag have in 1960?

5) Each star on the flag represents a state in the U.S. How many states were added between 1859 and 1890?
