

Making Ten

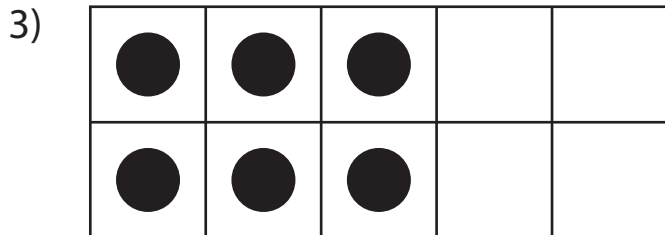

Draw additional counters to make 10. Write the number of counters added and complete the addition equation.

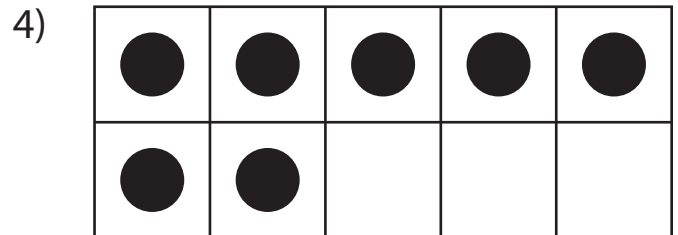

$$3 + \square = 10$$

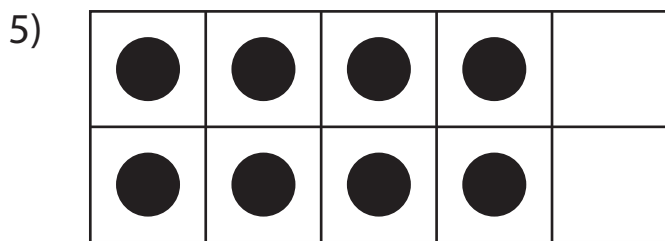

$$5 + \square = 10$$

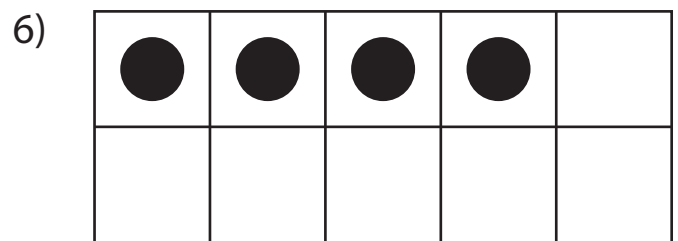

$$6 + \square = 10$$

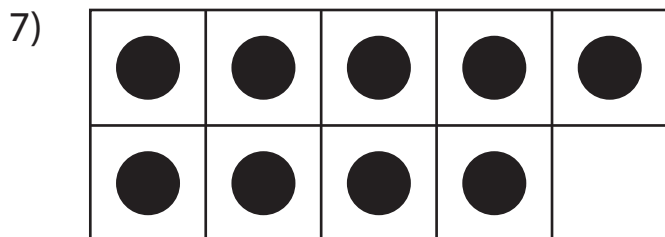

$$7 + \square = 10$$

$$8 + \square = 10$$

$$4 + \square = 10$$

$$9 + \square = 10$$

$$2 + \square = 10$$
