

# Reading and Interpreting Scaled Bar Graphs

- 1) Jake's Diner was decked up for the holiday season and heartily served breakfast, lunch, and dinner to customers. The number of customers for each meal was recorded on a bar graph. Read the graph and answer the questions.

- 1) How many customers enjoyed the diner's hearty breakfast?

\_\_\_\_\_

- 2) Find the number of customers who ate lunch at the restaurant.

\_\_\_\_\_

- 3) How many people visited the diner to have breakfast and dinner altogether?

\_\_\_\_\_

- 2) Pizza is a perennial favorite among all ages of people. The most popular pizza toppings are recorded in the bar graph below. Read the graph and answer the questions.

- 1) Find the number of people who think black olives are a good pizza topping.

\_\_\_\_\_

- 2) Which is the least preferred topping?

\_\_\_\_\_

- 3) How many people would put pepperoni topping on their pizza?

\_\_\_\_\_
