

Perimeter on a Coordinate Plane

Graph the points, join them, and find the perimeter of each shape formed. Round the answer to two decimal places.

1) $(-5, -2), (-3, -3), (-3, 1), (-5, 2)$

2) $(-5, -5), (5, -5), (5, 5), (-5, 5)$

3) $(-3, -1), (-3, -5), (5, -5)$
