

Perimeter on a Coordinate Plane

Graph the points, join them, and find the perimeter of each shape formed. Round the answer to two decimal places.

1) $(-3, -4), (-1, -1), (-4, -2)$

2) $(-4, -1), (-1, -1), (-1, 1), (-4, 1)$

3) $(3, -5), (5, -2), (3, 0), (1, -2)$
